

Item:	Spike Shoes
Price:	\$27.90
Item #:	PN46106

Description:

Spike Shoes - One size fits all. Black, 3/4" spikes, polypropylene

Item:	Cove Based Trowel 4" Height
Price:	\$21.00
Item #:	PN47411

Description:

Blue Steel 4" Cove Base Trowel with 1" Radius (4"x3"x6")

Item:	Cove Based Trowel 6" Height
Price:	\$22.00
Item #:	PN47412

Description:

Blue Steel 6" Cove Base Trowel with 1" Radius (6"x3"x6")

Item:	Squeegee Frame
Price:	\$42.00
Item #:	PN78010

Description:

Squeegee frame (for EPDM squeegees) - 24" with threaded handle. Filler Blades sold separately

Item:	Squeegee Trowel 18"
Price:	\$28.00
Item #:	PNGG244

Description:

Trowel/squeegee used to smooth cement based toppings and coatings, 18" length. Can be used by hand or with threaded broom style handle.

Item:	Squeegee Blades- EPDM- Notch 1/8
Price:	\$26.20
Item #:	PN79230

Description:

EPDM squeegee 1/8" - Notched on both sides, 24". Sold individually (Note - A 1/8" V notch is 1/8" from inside point to outside point. Typical applications is for achieving 30 mil or less of materials (estimated). The thickness of material left on surface is dependent on material viscosity, pressure, angle, speed of applying as well as temperature of product and condition of slab.)

Item:	Squeegee Blades- Notch 1/4
Price:	\$26.20
Item #:	PN79270

Description:

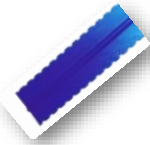

EPDM squeegee 1/4" - Notched on both sides 24" length. Sold individually (Note - A 1/4" V notch is 1/4" from inside point to outside point. Typical applications is for achieving 60 mil or less of materials (estimated). The thickness of material applied to surface is dependent on material viscosity, pressure, angle, speed of applying as well as temperature of product and condition of slab.)

Item:	Squeegee Blades EPDM-Flat
Price:	\$20.00
Item #:	PN79210

Description:

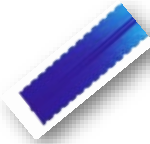

EPDM squeegee, flat (no notches) 24" length. Sold individually.

Item:	Vinyl Squeegee Refill Blade- 5 mils
Price:	\$22.00
Item #:	BVS5

Description:

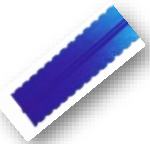

One - 5 mil blade, 24". Blades are reversible, scallop on both sides. (NOTE: These thin film blades are not suitable for the frame used with EPDM squeegees. The thickness of material applied to surface is dependent on material viscosity, pressure, angle, speed of applying as well as temperature of product and condition of slab.)

Item:	Vinyl Squeegee Refill Blade- 10 mils
Price:	\$24.67
Item #:	BVS10

Description:

One - 10 mil blade, 24". Blades are reversible, scallops on both sides. (NOTE: These thin film blades are not suitable for the frame used with EPDM squeegees. The thickness of material applied to surface is dependent on material viscosity, pressure, angle, speed of applying as well as temperature of product and condition of slab.)

Item:	Vinyl Squeegee Refill Blade- 20 mils
Price:	\$26.00
Item #:	BVS20

Description:

One - 20 mil blade, 24". Blades are reversible, scallops on both sides. (NOTE: These thin film blades are not suitable for the frame used with EPDM squeegees. The thickness of material applied to surface is dependent on material viscosity, pressure, angle, speed of applying as well as temperature of product and condition of slab.)

Item:	Vinyl Squeegee Refill Blade- Flat
Price:	\$7.34
Item #:	BVSFLAT

Description:

1 Flat blade. Blades are reversible.

Item:	Vinyl Squeegee Kit
Price:	\$170.00
Item #:	PN-BVKIT

Description:

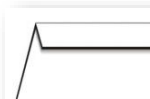

Squeegee Starter Kit - 2 ea. 24" aluminum frames, 2 ea. 10mil, 20 mil and flat blades (Note - These frames are not suitable with EPDM squeegees and these squeegees do not fit the EPDM squeegee frame.)

Item:	Squeegee Frame-24"-Vinyl Squeegees
Price:	\$42.00
Item #:	BVF

Description:

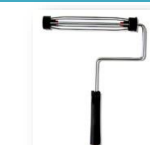

Frame for thin mil blades only. (Blades not included)

Item:	Cove Base Strips
Price:	\$714.00/box
Price:	\$0.75/LF
Item #:	PN2837

Description:

Clear molded plastic "L" shape strips for a finished thickness of 1/8" at the top termination or bottom transition. These strips come with adhesive backing for easy attachment. Strips are 5 foot long in cartons of 1,000 lineal feet.

Item:	Roller Frame- 9"
Price:	\$7.48
Item #:	PR-BCF

Description:

Professional 5-Wire Heavy Duty Roller Cage Nylon Bearings

Item:	Industrial Roller Frame- 18"
Price:	\$24.98
Item #:	PR-1RF-M

Description:

Heavy Duty aluminum yolk frame with threaded handle. Comes with endcaps. Adjusts from 12-18

Item:	Roller Frame End Caps
Price:	\$1.12
Item #:	PR-ECAPS

Description:

Additional end caps (set of 2) . For use with 18" Industrial Frame.

Item:	Roller Covers- 9"
Price:	\$5.45 ea
Item #:	DPL038-9

Description:

9" Professional Grade, 3/8" nap, woven, shed-resistant synthetic cover with phenolic core. 12 roller covers per pack.
It is always good practice to run tape over roller to remove any fibers left from manufacturing process.

Item:	Roller Covers- 18"
Price:	\$11.45 ea
Item #:	DPL038-18

Description:

18" Professional Grade, 3/8" nap, woven, shed-resistant synthetic cover with phenolic core. 12 roller covers per pack.
It is always good practice to run tape over roller to remove any fibers left from manufacturing process.

Item:	Loop Roller Covers- 9"
Price:	\$9.55
Item #:	9BlueLoop

Description:

9" Blue Loop Rollers for self leveling systems

Item:	Loop Roller Covers- 18"
Price:	\$19.10
Item #:	18BlueLoop

Description:

18" Blue Loop Rollers for self leveling systems

Item:	Spiked Roller- 9"
Price:	\$84.50
Item #:	PN59109

Description:

9" Spike Roller - 33 spikes - 13/16", Radial roller frame

Item:	Spiked Roller- 18"
Price:	\$185.00
Item #:	PN59318

Description:

18" Spike Roller - 44 spikes - 9/16" super sharp
Threaded handle adaptor

Item:	Moisture Vapor Test
Price:	\$18.00
Item #:	MVT

Description:

Moisture Vapor Emission kit. Calcium Chloride test kits used for testing moisture vapor emissions in compliance with ASTM E-1869.

Item:	Unomixer Mixing Blade- 1gal.
Price:	\$13.11
Item #:	DC362

Description:

Unomixer, 1 gallon size, 16" shaft, 2 1/2" diameter

Item:	Unomixer Mixing Blade 2-5gal.
Price:	\$25.00
Item #:	DC365

Description:

Unomixer, 5 gallon size, 30" shaft, 4 3/4" diameter

Item:	Wire Porcupine Roller- 9"
Price:	\$166.66
Item #:	PNRC18-PORC

9" roller cover, 3/8" steel pins. Fits standard roller frame.

Item:	Wire Guage Rake
Price:	\$94.00
Item #:	PN58609

Description:

Wire Guage Rake-24" with threaded handle adapter.

Item:	Wire Guage Rake Replacement Wires
Price:	\$10.70
Item #:	PN68611

Description:

Wire guage rake replacement wires, set of 3.

Item:	Cam Guage Rake
Price:	\$73.48
Item #:	PN57000

Description:

Cam Guage Rake, 24" with threaded handle.

Item:	Cams for Rake
Price:	\$26.19
Item #s:	1/32"- PN57078
	1/16"- PN57081
	1/8"- PN57082
	3/16"- PN57083

Description:

Cams for 24" guage rake, set of 2.
