

Standard Colors

This chart is intended for preliminary color guidance and should not be relied upon for true color. True color, gloss and texture will vary depending on products selected, field conditions, and other factors. Always base final color selection on a cured sample. Always apply a sample on site before beginning any project.

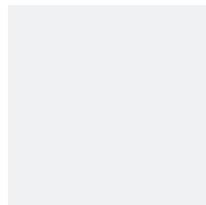

Bright White 12

Ash White 6

Cream 326

Beige 104

Mocha 13

Light Gray 101

Medium Gray 110

Dark Gray 102

Charcoal 325

Black 11

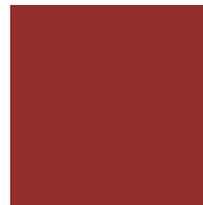

Jade 107

Light Blue 106

Safety Blue 108

Tile Red 103

Safety Red 17

Safety Orange 18

Safety Yellow 327

Exceptions: Charcoal 325 and Safety Orange 18 are not Standard Colors in urethane coating formulations. Some systems, including cementitious urethane, liner systems, containment systems, and wear compounds have limited Standard Color sets. Contact your Milamar representative for more information.

Custom Colors: Any color not displayed on this chart is considered a Custom Color. Custom Colors, including exact Color Matches, are available with adequate lead times and minimum purchase requirements.
